2 YEAR GUARANTEE

Rail options	Nominal size
"L"	90 x 90cm
"L"	90 x 180cm
"U"	90 x 90 x 90cm
	90 to 270cm

Fitting instructions

1. Cut the tube to length as required, cutting at wall bracket not joining ends.
2. Assemble the shape of your choice and hold against the wall in the desired position. Using the wall bracket as a template mark the wall for the screw fixings. Check level, drill, plug & fix the brackets onto the wall. Fit the wall bracket covers onto the tube then push the tube into the wall bracket. Conceal bracket by sliding covers into position.
